DG Ron Grubb

Club to Host District Governor Ron Grubb
District Governor Ron Grubb, a member of the Westover Lions Club, will make his official visit to the Fairmont Lions Club on Thursday, January 28, 2021, 6:30 pm. The meeting will be conducted using the Meet Now online platform, which we used successfully for the January 14th meeting.

DG Ron is no stranger to the Fairmont Lions Club, having visited our club in the past. DG Ron was born in Fairmont and graduated from Mannington High School in 1965. He worked as a shoe salesman, coal miner and drove shuttle for the Department of Energy. He has been a Lion since 1990 and has held numerous positions including president, secretary and membership chairperson of the Westover Lions Club. DG Grubb has served as zone chairperson and sight coordinator for the WV Lions Sight Foundation. He also worked to organize the Western Mon Area Lions Club. He is married to Lion Mary. They have two children, Regina and Richard, are grandparents of four and have two great-grandchildren.

Children Provided Christmas Gifts

Virginia Gallion reported at the January 14th meeting that the Union Mission only received 30 applications for Christmas gifts from the families of disadvantaged children this year. She and Nancy Sickles purchased the gifts, wrapped and sorted them into bags for each child. They were delivered to the Mission on December 13th and distributed by the Mission, since they were unable to hold the usual party, due to the pandemic. A late request also came in, and the staff at the Union Mission was able to pull gifts from their donations to provide an additional bag for that child, which Virginia Gallion then delivered to the parent.

Thank You Letters Received

Past Council Chair Cindy Glass said, in her message to the Fairmont Lions Club, "Thank you so much for your gift of \$25 Visa Cards to benefit the families of children undergoing treatments at WVU Medicine Children's Hospital... Your concern and generosity will be greatly appreciated by the families as they deal with difficulty, stress and expense.

George Batten of the Union Mission wrote, "Thank you for your thoughtful gifts of prepared Christmas bags for the children... Thank you for your kindness in considering the needs of broken, hurting people."

FAIRMONT

The words across this 1981 club letterhead seem as important as ever, given the events of early January.

LCI Waives Entrance Fee Through June 30, 2021

The International Board of Directors passed a resolution designed to help clubs as the COVID-19 pandemic continues to impact the work of Lions around the world, and create financial hardships for Lions and the people for whom we care. All charter and entrance fees have been waived from January 1 through June 30, 2021. Clubs in good standing on December 31, 2020 will not be suspended or canceled through June 30, 2021 for late payment of dues (Fairmont's dues have already been paid on time for this period.)

Inviting a new member to join before June 30, 2021, will save that member the one-time \$35 new member (entrance) fee.

2021 Montreal LCI Convention — Attend Without the Travel

The LCI board of directors voted to transition the 2021 Montreal convention to a virtual event held totally online, due to COVID-19. This will be the first virtual international convention and will safely connect Lions from around the world.

- Everyone's invited — the convention will be open to all Lions and Leos around the world.

- Registration fees — The registration fee will be \$50 until March 31, then \$75 beginning April 1. The convention is currently scheduled for June 25-29.

- Elections — Elections will be electronically conducted.

"This global health pandemic has forced us all to make decisions and changes that place health and safety first. However, we are optimistic that with each new day there is hope, and as Lions, we continue to find new ways to stay connected, safely serve our communities and continue our global mission of service."

Club Donates Brooms to Friendship Fairmont

Rochelle Satterfield, Friendship Fairmont Program Director, receives one dozen brooms from Bob Brummage.

On Wednesday, February 17, Bob Brummage and Bob Moffett delivered one dozen household brooms to Friendship Fairmont. Friendship Fairmont is a mental wellness community drop-in center, a program of Milan Puskar Health Right. They work with those seeking or in recovery from mental health or substance abuse concerns. When people move into housing, they are in need of cleaning supplies.

The club approved a motion at the February business meeting to provide the brooms. The brooms we sell as a fundraiser became a service activity instead.

First Presbyterian Church had conducted a drive for cleaning supplies, but there was still a need for brooms. Good brooms are too expensive for many of these people.

District Governor Visits

District Governor Ron Grubb visited the club virtually on January 28th. He spoke about his theme, "Legacy." Treasurer Bob Brummage presented the governor with a \$50 check to the WV Lions Sight Foundation in honor of DG Ron.

DG Ron informed the club that this year's State Convention will be held online. Plans are being developed to conduct the District 29L elections, also. The West Virginia Lion, with convention information, is to be distributed to all Lions in February, either by email or postal mail.

DG Ron Grubb (lower left in this screen capture) addressed the club online. FVDG Ramona Sago (lower right) was also a club guest for the meeting. Bob Brummage, Bob Moffett and Aletta Moffett are also pictured. David Sturm attended but is not pictured. The meeting was held using Meet Now.

The club also welcomed FVDG Ramona Sago, who emphasized the importance of adding a new club member by June 30.

Four to Receive Eye Exams & Glasses

Keith Long, Eyeglasses Committee Chairperson, reported that four applications for eye exams and glasses were approved by the committee for January. The club pre-approved up to 10 applications for February, pending the committee's approval.

"I have enclosed a certificate and medal for your achievement in last year's DG contest. It was my intent to have presented these in person, but circumstances have kept us apart. I didn't think it was going to last this long. Congratulations on your placement and thank you for all that you do!"

Club Makes "Parade of Checks" Donations

Treasurer Bob Brummage has mailed our club's "Parade of Checks" Lions charity donations to District 29L. Normally, these are presented at the District Conference.

Because we have not been able to hold many fundraising activities during the pandemic, the club reduced amounts to some recipients so that we would have some funds for conducting activities during the 2021-2022 year. Typically, funds raised in one year are used for activities the next year. Therefore, a lack of fundraising this year will result in lower funds for next year (starting July 1). These donations were sent this year:

WV Sight Conservation Foundation	\$500.00
Lions Clubs International Foundation	500.00
Camp Kno-Koma	100.00
Deaf & Blind Recreation	25.00
Leader Dogs	100.00
Pilot Dogs	100.00
Total	\$1,325.00

We are not donating to Lions Youth Exchange this year. It seems unlikely that students will be traveling internationally this summer. Several students selected have chosen to defer their trips until 2022.

Notice of Nominations & Elections Meetings

Pres. Bob Moffett appointed David Sturm to chair this year's Nominations Committee. Jim Coleman has agreed to serve with David. The committee will prepare a slate of officers to be presented at the Nominations Meeting, March 11, 2021. Nominations from the floor will be accepted at the March 11th meeting. The election will take place at the April 8th meeting for club officers who will serve during the 2021-2022 club year. Nominations from the floor may not be made at the April 8th Elections Meeting, according to the Standard Form Club Constitution and By-Laws.

Club Donates Nuts to Local Food Pantry

The Fairmont Lions Club had some nuts left unsold that would not keep until next year's sale and those nuts (still good quality) were donated to the food pantry at Central United Methodist Church. A total of 44 bags were donated and are being distributed to the pantry's clients. The pantry also supplies food boxes for Grand Families, helping with the needs of grandparents rearing their grandchildren, and it was expected that many of these nuts would go to those families, as well.

A note was received from the pantry stating, "Thank you!! What a wonderful donation." Nuts are a good source of protein and minerals.

The COVID-19 pandemic has significantly reduced the club's ability to conduct our fundraisers in the past year.

Eyeglasses Committee Remains Active

Keith Long reported for the Eyeglasses Committee that one individual was approved for an eye exam and glasses for February. The club pre-approved up to 10 applicants for the month of March at the March 11th meeting.

Club Supports FSU Scholarships

The Fairmont Lions Club made its annual donation to scholarships with a \$200 donation to the Fairmont State University Foundation. Over the many years that the club has donated to the Foundation, many students have been assisted by the club in advancing their education.

West Virginia Virtual State Convention April 24
"The West Virginia Lion" has been sent by email or mail to all Fairmont Lions Club members. The Multiple District 29 State Convention will be held online on April 24th. Registration is only \$5.00. The registration form and a full schedule of convention activities are found in "The West Virginia Lion." Robert S. Littlefield, Ph.D., Past International Director, and LCIF Trustee for Constitutional Area 1 will be our guest at the convention.

 Keynote Speaker to be Nobel Peace Prize Winner**

Early registration for the virtual Lions International Convention is due by March 31 to qualify for the \$50 registration fee. The convention is open to all Lions. Go to this link to register:

Keynote Speaker on Monday, June 28, will be Malala Yousafzai, a young woman who survived an assassination attempt and became the youngest Nobel Peace Prize Laureate. Yet, she does not consider herself extraordinary.

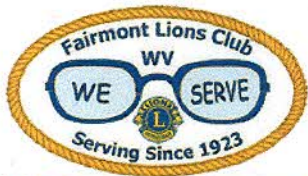

She began her campaign for girls' education at age 11 with her anonymous blog for the BBC, Diary of a Pakistani Schoolgirl, about life under the Taliban. Then she began advocating publicly for girls' education, joining her activist father on his visits to neighboring villages to recruit for the school. While he spoke to the men, she spoke to the women. Due to her increased prominence, at age 15 she was attacked by the Taliban for speaking out. She recovered in the United Kingdom and has continued her fight for girls, co-founding the Malala Fund with her father in 2013. At age 17, Malala received the Nobel Peace Prize in recognition of her efforts to see every girl complete 12 years of free, safe, quality education.

2021-2022 Club Officers Elected

Club elections were conducted by phone and using the Election Runner application online. Because Leroy Humberston asked to not serve as a director next year, following the Club Constitution and By-Laws, the Nominations Committee presented a motion to replace Leroy on the ballot with Jim Coleman as candidate for director. The replacement candidate was approved at the April 8th club meeting. Twelve club members voted and overwhelmingly elected the slate of officers submitted by the Nominations Committee. Congratulations to these elected officers of the club who will assume their new roles on July 1, 2021.

Keith Long, Chairperson of the Eyeglasses Committee, reports that two applications for eye exams and glasses have been approved for the month of March and those persons will have their exams and glasses paid for by the Fairmont Lions Club.

Brooms & Mops Have Been Ordered

Treasurer Bob Brummage reports that an order for brooms and mops has been placed to replenish the club's supplies. The club provided two dozen warehouse brooms to the Western Mon Area Lions Club in April and several merchants have been recently re-stocked.

Lions Will Again Clean a Section of Rail-Trail

On Saturday, April 17, at 2:00 pm, Bob Brummage and David Sturm will meet at the Monongah trail head to begin trash clean-up along the West Fork River Ralph Larue Trail. At the same time, Aletta and Bob Moffett will begin cleaning the trail from the Norway trail head. Both groups will meet approximately mid-way along the trail. The clean-up involves walking a total of about two miles in and back out and about two hours. It is a pleasant afternoon walk providing an important service to the community. Any members wishing to join us should meet at one of the trail heads at 2:00 and wear sturdy shoes and a good pair of work gloves.

An invitation for others in the community to join us will be made. Feel free to invite a friend, co-worker, etc. Just remind them to wear gloves. Helping in a Lions club service project may be the first step in obtaining a new club member.

2021-2022 Club Officers To Be Installed

District Governor-Elect Ramona Sago, member of the Western Mon Area Lions Club, will be our guest at our meeting June 10, 2021 and will induct club officers for the coming year. At this time, we are looking forward to conducting the meeting outdoors and in-person. Location for the meeting has not been set yet. The new club officers will assume their duties July 1, 2021. Please mark your calendar and hold this date to help us get a new Lions year off to a great start. Members will be notified of meeting location and time as plans are finalized.

V&W Electric Now Housing Broom and Mop Inventory

Bob Brummage reports that the club's broom and mop inventory has been relocated from TNT Industrial Supply in White Hall to V&W Electric at 1517 Fairmont Avenue. TNT continues to display and sell brooms and mops for the club but needed the inventory space for their growing business. V&W Electric has displayed and sold our brooms for many years. Kime Floral and White Hall Pharmacy also continue to display and sell the club's brooms and mops. Thanks to all of these businesses, we have continued to receive some funds from sales through the pandemic even though we could not set up at a location to hold a large sale event.

Members "Attend" Virtual WV Lions State Convention

David Sturm and Bob Moffett attended the WV Lions State Convention held online April 24th. The day-long event included a Council of Governors meeting, several seminars on topics of interest to Lions and opportunities to get acquainted with Lions from around the state. Lions David Marney Elkins from Delaware and Jordan Glass Williams, a former zone chairperson for our zone who is now residing outside of WV, were the principle moderators of the Zoom event.

Bob Moffett felt that the convention was well put together as an online event and David Sturm said he appreciated seeing the leaders and felt it was worth the time to learn more about Lions. Elections for district officers, which normally occur at the convention, were conducted online prior to the virtual convention. We can hope that next year's convention will be an in-person event once again.
