*The Fairmont Lions Club
Celebrates its
90th Anniversary*

*Saturday, April 20th, 2013
Central United Methodist Church
Fairmont, West Virginia*

Welcome

Welcome members of the Fairmont Lions Club, fellow Lions and honored guests to the 90th Anniversary celebration of the Fairmont Lions Club. Thank you for sharing this anniversary with us. Ninety years ago today, the Fairmont Lions Club was formed under the motto, "We Serve." Since then the Club has done well to live up to that motto. We have followed the Association's mission of "empowering volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs."

In addition to our sight conservation and blindness prevention programs, the Fairmont Lions Club has become very active in the community with our trail cleanups, tree planting and the Annual Fairmont Christmas Parade. We are still active in diabetes awareness programs, the Christmas party for disadvantaged youth now going on 72 consecutive years, the peace poster contest, HOBY, Boys and Girls State and the FSU scholarships and much more. There is still more to do and we are up to the challenge. We will continue to focus on growth in membership and service.

We are honored to have Past International Director Robert Browning, Jr. as our speaker this evening. PID Browning served on the international scene from 1996-1998 and has been an integral part of West Virginia Lionism for over 36 years.

In closing I would like to say, sit back, relax, enjoy the evening because tomorrow we have more work to do.

Thank you again for joining us in celebrating the 90 years of service of the Fairmont Lions Club.

Lion John Marsicano, President
